

# BIGS

# BADGES

Bigs with Badges is a nation-wide program that pairs first responders with children who need mentors. Volunteer mentors meet the child at school or out in the community for **3 hours** each month for **at least 1 full year**.

**99%** of children surveyed agreed their relationship with their Big Brother or Big Sister is very important to them.

**91%** of volunteers agree their Little Brother or Little Sister has shown improved self-confidence.

**81%** of guardians agree their child has improved their ability to express feelings.
